Grande Prairie General Information

How the program works

Select the establishment that you wish to attend, and note the days of validity and any other conditions of use.

Each of the merchants and businesses that have been included on the gold card, have been assigned a number for each of the visits that they offer. When dining at our selected establishments, simply present your **Dining Card** and benefit from the discount that is offered.

1) The member is entitled to one **FREE** entrée when another entrée of equal or greater value is purchased at the same time during the days and hours the membership is valid. The least expensive entrée will be discounted up to a maximum value as noted by the restaurant.

2) A child's plate is not considered an adult main course, and is not included in the program. Two or more adult main courses must be ordered for the discount to apply.

3) Present your card before the bill is totalled.

4) Not valid on alcoholic or other beverages. Coffee, tea, soft drinks or any other beverage is not considered a food.

5) Not valid with any other discount, promotional offers or daily specials.

6) Limit of one card per table.

Please note the days and hours indicated for each Hotel and Restaurant. Card is not valid on restaurant holidays, such as Valentine's, Mother's Day, Easter, Christmas Eve and Day, New Year's Eve and Day. Please telephone the establishment to see if they will honor the card on holidays.
